

Gexin Storefront Reports

By default, uStore reports are only available via the back office users have no access to any reporting.

Gexin storefront reports provides visibility to storefront reports to users who have been assigned the reports privilege. Four functional reports are available.

Key Features

- 1 Functional reports available via the home page
 - 2 Show or hide column options (order listing report)
 - 3 Simple date/period selector
 - 4 Sort order
 - 5 Filter options
- ✓ Export reports as CSV files
 - ✓ Control display rows quantity

Usage Details

Username	LastName	Email	LastLogin
neil	Zaltsman	neil@gexin.com.au	29/10/2021, 07:56:20

Plugin Cost: \$5,000

Annual Maintenance fee: \$900

Other Considerations:

1. These reports will only function should you be using the Gexin themed skin or a suitably coded custom skin.
2. Once purchased the plugin will work across any store utilising the appropriate skins.
3. If a user is assigned to multiple stores the reports privilege will extend to all stores the user is assigned to.
